Dragon Hill 2 Mod APK – Zombie Issue is never obsolete for filmmakers to produce blockbusters like Train to Busan, MR Vampire, World War Z ... And that's no exception for game developers either, they also created countless good games. Table of Contents [ShowHide]Rebel Twins is a standalone developer that focuses on developing high-quality games for Android and iOS. And the rebel twins have exploited this by defying this to bring us cool games. After a successful one with almost 50 million installations, the company continues to develop and launch Dragon Hills 2, a zombie kill awesome game. This 2 part of Dragon Hills Dragon Hills Dragon Dragon 2 follows the story of the brave princess, stands up to fight the evil forces in the world. A few years after the defeat of the dark forces, peace for the world is not a disaster long after. Strange disease spread everywhere, turning ordinary people into dangerous zombies. Not only that, zombies are exploited by aliens who try to invade the earth.Once again wake up the sleepy fire dragon, the princess went to destroy the zombies and determined to find the aliens behind the incident... GameplayTransformed to the brave princess, the player's task is to control the dragon fire broom, destroy all enemies dare to hinder. The dragon does not have wings, so to move, the player must control the dragon through the ground and fly, destroying anything that prevents it. You need to use this move to avoid obstacles and zombie firepower, as well as to attack the enemy in an unexpected way. The control mechanism in the game is simplified, the player just needs to touch the screen to the dragon to dive across the ground and un-touch it to tell it to fly off. With just two operations, you are free to destroy everything in your path and attack armed zombies, remember to collect your brain to complete the target. ChallengesAlong Way, you'll encounter laser shields on rooftops

and toxic green ponds. If it hits, your fire dragon will be crushed bones and played over. Zombies armed with weapons are constantly attacking if they detect dragons fire in sight. Also, at the end of each level, you encounter a boss who annoys the portal of that level. It's much stronger than many other zombies and has more intelligence. The only way to level up next is to kill the zombie boss. Upgrade power to fire dragonThe higher levels, more zombies and more dangerous. so how to fight them? Luckily, the game has an upgrade system, which helps players to upgrade the power of Dragon Fire and Princess. Improve all defenses, attack indicators and Special skills. A small note, gold coins collected on the material road are successfully upgraded. So don't miss out on any gold coin.2D Dragon Hills 2 graphics based on version 2D, the same with version one, but still attractive to any player. Background designs, characters, fire dragons, zombies, are all drawn in cute and fun cartoon style. In addition, the explosive effect is very commemorative, beautiful. Not only that, the sound in the game is well invested with an eloquent voice when destroyed.
